STUDY in
ESTONIA
.ee

Study in Estonia@studyinestonia:
International students ask us why they should study
in Estonian universities. What would you say?
#whystudyinestonia #interestingtoknow

University of Tartu @studyinestonia:

University of Tartu is one of the oldest universities in Northern and Eastern Europe,
and we are a world leading research university in many fields.

#whystudyinestonia #olderthanHarvard

Tallinn University @studyinestonia:

And we have the most modern film school in the Baltics and Scandinavia!

#whystudyinestonia #awesomefilmmandmediaschool

Estonian Academy of Arts @studyinestonia:

Animation is by far the most innovative area in the film industry and some of the world's best animators have studied in EAA.

#whystudyinestonia #designarchitectureart

Tallinn University of Technology @studyinestonia:

Talking about innovation... Innovation lives and breathes via engineers and IT in TUT. Skype is right next door to our campus.

#whystudyinestonia #wehavetuitionfeefreeprogrammes

Estonian Business School @studyinestonia:

You need to know how to sell even the best technology. And you need to have business knowledge for that. Why not study business in a country where you can start your own company in 15 minutes?

#whystudyinestonia #weknowourbusiness

Estonian Academy of Music and Theatre @studyinestonia:

Our professor, conductor Tõnu Kaljuste, won a Grammy in 2014.

And Arvo Pärt is the world's most performed living composer.

#whystudyinestonia #bestmusiciansintheworld

Estonian University of Life Sciences @studyinestonia:

Well, friends, our level of science is so good that we are able to clone animals. That says it all.

#whystudyinestonia #alsoworldclasslandscapearchitecture
